Andrew Dodds Named to Top 400 Advisor List 2016 by Financial Times

Denver, CO – March 31, 2016 – Andrew Dodds, an independent financial advisor affiliated with LPL Financial at Dodds Wealth Management Group in Englewood, CO, today announced that he was named to the 2016 Financial Times Top 400 Advisors List. He is among the elite advisors at national, independent and regional broker-dealers, selected from nearly 1500 advisors who met the qualifications.

Selection process
The *Financial Times* rewards attributes that its affluent/wealthy investors care about (or should care about). The Financial Times asked the largest U.S. broker-dealers for lists of their advisors with the basic qualifications of 10+ years of experience and $300 million or more in assets under management; the brokerages had no subjective input. We graded advisors on six broad factors and calculated a numeric score for each advisor. Areas of consideration include advisor AUM, asset growth, years of experience, industry certification, compliance record, and online accessibility.

Andrew Dodds is affiliated with LPL and provides access to independent financial planning services, investment advice and asset management services to clients throughout the United States.
